Informed Consent for Crowns and Bridges

1. You must remain a patient with our practice for the entirety of the ten (10) years following placement of the crown or bridge for the warranty to be valid.
2. You must maintain a schedule of regular recall appointments in our office, to include a minimum of an oral exam every 3-6 months, a cleaning every 3-6 months; bitewing x-rays every 12 months and a full mouth x-ray (FMX) once every 5 years. The frequencies are based on your periodontal and overall dental health.
3. You must maintain a high standard of home dental care by brushing all remaining natural teeth (including crowns and/or bridges) a minimum of two (2) times per day and flossing once per day.
4. You must complete, in our office, all treatment in the area of the mouth where the dental crown, or bridge is located within three (3) months of being diagnosed and treatment planned. Crowns and bridges refer to quadrant of the mouth.
5. We will replace the crown or bridge at no additional cost for either materials or labor **if there a failure in the fabrication** and if all limitations are met (see 1-4). If crown or bridge fails after one (1) year but before lab guarantee (~5 years) expires, the minimum cost would be \$350.00 for labor and materials.
6. The warranty is null and void if the failure is due to abuse, including but not limited to chewing ice or similarly hard items, removing bottle caps with or using the crown or bridge as a tool in any way, accident damage, self-adjustments, not wearing a night guard when recommended etc.
7. The warranty is null and void if the crown or bridge should need to be removed or damaged due to a dental problem or repair with the supporting tooth/teeth including but not limited to root canals, recurrent decay, etc.
